¹ Approved dated 07 July 2003 under ERC Case No. 2001-904

In this regard, may we be informed if there was an Order issued by this Honorable Commission authorizing the above-mentioned adjustment implemented by CASURECO II? And if there was, may we request for a certified copy of the said Order?

Considering the importance of our request which will give light to our findings, we fervently hope the Honorable Commission will favor us with its prompt and favorable reply on this matter.

Thank you and God bless.

Very truly yours,
